WEB EXPERIENCE

Web Design & Development Intern

HH Candle Collection | Aug 2025 - Dec 2025

- Designed and developed a business website using WordPress, HTML, and CSS.
- Managed website pages, content, products, images, and digital assets using WordPress and WooCommerce.
- Built responsive layouts and customized the site's visual presentation to align with the business's brand.
- Collaborated directly with the business owner to gather requirements and implement website improvements.
- Applied responsive design, accessibility, semantic HTML, and user-experience best practices.
- Tested website functionality, identified issues, and implemented fixes throughout development.
- Improved content organization, navigation, and page presentation to create a clear user experience.

SELECTED WEB PROJECTS

Haney Contractors — Website Development

WordPress | Responsive Design | HTML/CSS

- Designed and developed a responsive contractor website using WordPress.
- Customized the website's layout and presentation to support the client's business needs.

Sunshine Ridge Childcare Center — Website Development

HTML | CSS | Responsive Design | Accessibility

- Designed and developed an accessibility-focused responsive website.
- Applied semantic HTML, logical heading structure, descriptive alt text, metadata, accessible navigation, and other accessibility and SEO best practices.
- Considered usability, typography, color, layout, and interface elements from an accessibility perspective.

Personal Portfolio Website

HTML5 | CSS3 | JavaScript | GitHub Pages

- Designed and developed a responsive portfolio website to showcase web development and design projects.
- Implemented JavaScript functionality and responsive layouts.
- Applied accessibility, semantic HTML, SEO, and performance best practices.
- Optimized website assets and deployed the completed site using GitHub Pages.

Currency Converter

JavaScript | API Integration | HTML/CSS

- Integrated an external API to retrieve and display live currency exchange-rate data.
- Developed interactive currency conversion functionality with a responsive user interface.
